**REPORT OF: CHIEF EXECUTIVE – 19/121**

**WARDS AFFECTED: All**

**SUBJECT: APPOINTMENT TO COMMITTEES 2019/20**

**RECOMMENDATION (S):**

That the Council considers the lists of appointments to the committees for 2019/20 appended to this report and determines the appointments to be made for ratification at Annual Council on 5 June 2019.

**REASON FOR RECOMMENDATION (S):**

To ensure the good governance of the Council.

**HIGHLIGHTED RISKS:**

If appointments are not made there is a risk to the governance of the Council

**1. INTRODUCTION**

1.1 Section 15 of the Local Government and Housing Act 1989 and the regulations made thereunder, require the Council to review regularly the political composition of the Council and to determine the size and constitution of its committees to ensure that the political balance is reflected and maintained in those committees by allocating seats on each committee to each group in direct proportion to each group’s overall representation on the Council.

- 1.2 The membership of the Cabinet is determined by the Leader of the Council and does not have to be politically balanced.

## 2. CORPORATE AIMS

- 2.1 The recommendation supports the Corporate Aim to be an efficient and effective council which is financially sustainable for the future.

## 3. BACKGROUND AND ISSUES

- 3.1 As a consequence of the Borough Council elections held on 2 May 2019, the new political composition of the Council is as follows:

Conservative	16 seats
Labour	13 seats
Green	2 seats
Independent	10 seats
Cluster of Independent Members	3 seats
UK Independence Party	1 seat
No political affiliation	1 seat
<b>TOTAL</b>	<b>46 seats</b>

- 3.3 The minimum number of members to constitute a political group on the Council is two. Those of no political affiliation or who are the solitary representative of a political group therefore rely on the gifts of the Council's political groups to sit on the Council's non-executive committees. For the purposes of calculating the political composition of the Council's non-executive committees, the political composition of the Council in numerical order is as follows:

Conservative	16 seats	36.4%
Labour	13 seats	29.5%
Independent	10 seats	22.7%
Cluster of Independent Members	3 seats	6.8%
Green	2 seats	4.6%
<b>TOTAL</b>	<b>44 seats</b>	<b>100%</b>

- 3.4 The new political compositions of the non-executive committees are indicated in the spreadsheet annexed at Appendix A.

- 3.5 Councillor Steve Siddons was elected Leader of the Council on 7 May.

## 4. CONSULTATION

- 4.1 Nominations from the Group Leaders have been sought for the membership of the committees in accordance with these political proportions, and for the

positions of Chairs and Vice-Chairs. Where there is competition for Chairs and Vice-Chairs, the matter will be put to the vote.

## **5. ASSESSMENT**

5.1 The principles of political balance require that:

- (i) not all the seats on any committee are allocated to the same political group;
- (ii) the majority of seats on the committee is allocated to a particular group if that group has a majority of seats on the Council;
- (iii) subject to (i) and (ii) above, that the number of seats allocated to any group on the total of all committees have the same proportion to the proportion on the full Council; and
- (iv) subject to (i), (ii) and (iii) above, that the number of seats on each committee allocated to each group bears the same proportion to the proportion on the full Council.

## **6. IMPLICATIONS**

6.1 There are no legal, policy, financial or equality and diversity implications arising from this report.

## **7. ACTION PLAN**

7.1 Appointments to the committees will receive final approval at the Annual Meeting of the Council on 5 June 2019.

## REPORT OF THE CHIEF EXECUTIVE - 19/122

**WARDS AFFECTED: ALL**

**SUBJECT: APPOINTMENT OF REPRESENTATIVES ON OUTSIDE BODIES**

### RECOMMENDATION (S):

That Council:

- (i) considers the proposed list of representatives on outside bodies for 2019-23 appended to this report and determines the appointments to be made for ratification at Annual Council on 5 June 2019.

### REASON FOR RECOMMENDATION (S):

To ensure good governance and promote partnership working within the Borough.

### HIGHLIGHTED RISKS:

None.

## 1. INTRODUCTION

- 1.1 The list of Council representatives, annotated to indicate where there is competition for nominations, is attached at the appendix to this report.
- 1.2 The Council is invited to consider the list and agree the appointments of representatives to serve on the various outside bodies.

## **2. CORPORATE AIMS/PRIORITIES**

- 2.1 The recommendation supports the Corporate Aim to be an efficient and effective council which is financially sustainable for the future.

## **3. BACKGROUND AND ISSUES**

- 3.1 The Council appoints elected members to a number of outside bodies that have organisational objectives that the Council supports and where there are areas of mutual interest. Many of these appointments are attached to the responsibility of a portfolio holder or another position on the Council. The remaining positions are nominated through the political group leaders for approval by full Council for the life of the Council (four year term). Appointees are not expected to 'represent' the Borough Council but are rather appointed based on an expectation that they will apply their skills and experience in the best interests of the body to which they are appointed.
- 3.2 Generally, the term of appointment for the outside body coincides with the term of the Council that appoints the representative. This four year term gives stability to the role and allows the representative to learn more about their position on the outside body. Council appointments are therefore reviewed at the start of the new Council to enable new nominations to be made. Where there is competition for nominations indicated in the appendix, then the matter will be put to the vote. For any changes to the Council's representation on outside bodies which need to be made during the four year term, the Council has delegated responsibility for this decision to the Leader. The Leader will then include any such Council appointments in his statement to the next Council meeting.
- 3.3 In March 2019, the Council approved a new Protocol for Members on Outside Bodies. The new Protocol places a limit on the length of service on outside bodies to two consecutive terms on the same organisation, subject to the exceptions below:
- (a) Any appointment which forms part of the portfolio of an Executive Member, shall not be restricted by the maximum term
  - (b) Where an appointment is made to fill a vacancy subsequent to Annual Council, the balance of the term shall not count toward the maximum length of service on the external body
  - (c) A Member continuing to serve past the end of their term, until a successor is appointed
  - (d) Where insufficient applications have been received for an appointment.

## **4. CONSULTATION**

4.1 Elected Members have been consulted on the recommendations.

## **5. ASSESSMENT**

5.1 The list of outside bodies on which Elected Members sit are categorised according to the nature of the body. Further details on the types of outside body and the roles and responsibilities of appointees can be found in the new Protocol at this link (Item 5d):  
[Council meeting agenda 1 March 2019](#)

## **6. IMPLICATIONS**

6.1 I have considered whether the following implications arise from this report and am satisfied that there is no identified implication that will arise from this decision.

## **7. ACTION PLAN**

7.1 The recommendations will receive final approval at the Annual Meeting of the Council on 5 June 2019.
