

**Extract from Cabinet Minutes
15 February 2011**

A13. THE POLICY FRAMEWORK OF THE COUNCIL

The Cabinet considered a report by the Head of Human Resources and Performance (Reference 11/94). Cabinet were informed that this was part of an ongoing programme whereby all the council's policies were pulled together under 11 themes. The Human Resources Service and Tourism would be the last services which would be reported on in April which would then complete all 11 themes.

RESOLVED that Cabinet recommend to Council approval of the overarching policy statements for:

- Information and Communication Technology; and
- Finance, Resources and Governance.

Reasons:

To provide a clear Policy Framework to assist with monitoring and improving Council performance.
