

**Notice of motion for Council on Monday 12 May 2014.  
Proposed by Cllr Tom Fox and seconded by Cllr Derek Bastiman**

I ask that Council moves the following for immediate and permanent resolution in respect of Peter Jaconelli -

That the honour of 'Alderman' be removed forthwith;

That the honour of the title 'Mayor' be removed forthwith;

That all reference to Peter Jaconelli as 'former Mayor' cease:

- To include the permanent removal of his name from the honours board for the Alderman of the Borough and Mayor of the Borough;
- This Council and successor Councils respect the resolution to include no endorsing or supporting matters brought forward in his name such as memorials, street and/or property naming or other high recognition, office or award in his memory.

And to the victims:-

This Council publicly praises the courage of those who have come forward after such a long time to report such serious crimes.

Following on from 'giving victims a voice' we recognise and continue to have empathy with all victims, whoever the offender, whatever the situation including empathy and support for those who have yet to come forward.
