Dear Mr Thompson

### **Draft Cinder Track Restoration Plan 2018**

Thank you for attending the meeting of Town Council's Town Development & Improvement Committee on Monday evening.

As you are aware members welcomed the Draft Cinder Track Restoration Plan 2018 which addressed the issues raised with the previous Sustrans plan. Although one member did express concern with the use of tarmac for the Whitby end of the track, broadly members were very supportive.

Will the Restoration Plan be going out for a formal consultation process, if so do we have a timescale?

Yours sincerely,
